## Report of Finance Committee.

---

*To the T.:P.:G.:M.:Officers and Members of  
Gourgas Grand Lodge of Perfection, A.:A.:S.:R.:.  
N. M. J. U. S. A., Valley of Pittsburgh.*

Your Finance Committee have audited the statements covering the period from January 6th, 1891, to February 18th, 1892, inclusive, submitted to us by your Grand Secretary, and hereunto attached, and find them in accordance with the records and vouchers of your Grand Secretary and Grand Treasurer.

|   |   |             |
|---|---|-------------|
| The total cash received during the year was | - | \$14,142 89 |
| Deduct fees returned to applicants,         |   | \$955 00    |
| Dues returned to a member,                  | - | 5 00        |
|   | - | 960 00      |
|   |   | <hr/>       |
|   |   | \$13,182 89 |
|   |   | <hr/>       |

|  |    |        |            |            |
|--|----|--------|------------|------------|
| Increase over previous year, including<br>interest and excluding amount<br>realized previous year from sale<br>of piano, | -  | -      | -          | \$1,406 76 |
| From life membership,  | \$ | 360 00 |            |            |
| From investments,  | -  | 20 01  |            |            |
| From fees,   | -  | 5 00   |            |            |
| From dues,   | -  | -      | 1,021 75   |            |
|  |    |        | <hr/>      |            |
|  |    |        | \$1,406 76 |            |

|   |            |
|---|------------|
| What may be termed our current or ordinary expenses, including salaries, notices and postage for our regular meetings, rent and current for our electric motor, amounted to - - - - - | \$4,242 69 |
| Increase over previous year, \$200.43.  |            |
| Our dues to Supreme Council and Council of Deliberation amounted to - - - - -   | 993 10     |
| Decrease from previous year, \$200.80.  |            |
| Our other expenditures amounted to - - - - -  | 3,046 09   |
| Decrease from previous year, \$4,431.47.  |            |
| Total net saving of \$4,431 84 to our Treasury.   |            |
| We have 705 contributors to Lodge dues produce,   | 3,525 00   |
| " 34 contributors to Council dues, - - - - -  | 68 00      |
|   | <hr/>      |
|   | \$3,593 00 |
| Our interest from Permanent Fund of \$16,437.50 at 4% amounts to - - - - -  | 664 00     |
|   | <hr/>      |
|   | \$4,257 00 |
|   | <hr/>      |

Showing a small excess over our current expenses for the year, and indicating that we have probably reached the point in our financial affairs, where our dues and interest from investments are capable of providing our ordinary expenses.

|   |          |
|---|----------|
| At the close of the previous year we had received account fees, for which degrees had not been conferred, - - - - - - - | \$760 00 |
| We still hold in this account for these, - - - - -  | 235 00   |
|   | <hr/>    |
|   | \$525 00 |
| We conferred degrees upon applicants entitling us to retain - - - - - - -   | 290 00   |
| Leaving returned to applicants not approved or objected to, - - - - - - -   | \$235 00 |
|   | <hr/>    |

This demonstrates the correctness of your Finance Committee's view that all fees received from applicants are a distinct

liability until degrees have been conferred. We refer to this, because doubt has been expressed in the past, by some of our members, as to the necessity for this method of accounting.

|   |   |            |            |
|---|---|------------|------------|
| By reason of deaths, suspensions and remissions, we canceled from dues outstanding previous year, | - | \$462 50   |            |
| Leaving on the ledger at the beginning of the year,   | - | -          | \$2,319 00 |
| Of which there remained due at the close of the year, the sum of                                  | - | -          | 598 00     |
| During the year we collected:   |   |            |            |
| Account outstanding from 1890,  |   | \$1,721 00 |            |
| Account dues for 1891,  |   | 1,791 75   |            |
| The dues for last year amounted to  |   | 3,336 50   |            |
| Of which there remained due at the close of the year,   |   | \$1,544 75 |            |

A rigid review each year of the membership ledger, has proved beneficial in making our members more prompt in attending to their obligations to the Lodge, and is productive of good, not only to the Lodge, but to themselves. We recommend a continuance of this surgical treatment in all cases, excepting where the Lodge is satisfied that the financial condition of our brethren prevents their payment of dues.

The payment of \$1,791.75 out of \$3,336.50 dues for 1891, early in the year, is something for us to be proud of, but it is time the dues of previous years were met, and we should not find as much as \$598 left on the books at this late date.

Our cash on hand increased as follows:

|                 |   |            |            |
|-----------------|---|------------|------------|
| General Fund,   | - | -          | \$3,705 87 |
| Permanent Fund, |   |            |            |
| In cash,        | - | \$1,195 14 |            |
| In interest,    | - | 74 34      |            |
|                 |   |            | 1,269 48   |
|                 |   |            | \$4,975 35 |

|   |            |
|---|------------|
| We have in the General Fund a cash balance on hand of - - -     | \$4,955 50 |
| And recommended the transfer from same to our Permanent Fund of | \$3,000 00 |

We conferred the degrees of the Lodge upon 79, and lost by death, suspensions and withdrawals 30 members, leaving net gain of 49 during the year, and our membership at the close of the year was 802.

Our assets increased during the year \$4,391.60, and now amount to \$39,549.80, without taking credit for fees in anticipation of degrees.

We do not owe a dollar to anyone.

It has been said by some of our members, that our furniture and paraphernalia, which have cost us considerably over \$11,500, at which we place their value, should not appear in our assets, because we cannot realize upon them.

They are certainly worth this amount to us in our "business," as clearly as some contrivance, which, as scrap, would not pay for its hauling away, is worth even more than its cost to the mill which could not run without it, and, in case of fire, it would cost as much or more to replace it. We do not know that the paraphernalia would be collateral for a loan in one of our banks, but the thrift of a Body which enables it to gather together so much of it would go a long way toward entitling it to credit. We are entirely in favor of keeping this "asset" also in sight, because, in case of a fire, the valuation at which it has stood, taking into account the large accretions which have never been added on, would probably establish our claim without uncertain estimates, and those perhaps not familiar with the accounts having to pass judgment on its value.

We found the records, accounts and vouchers of the Bodies in their usual excellent shape, and kept according to the most thorough type of the accountant's art.

Our members would do well to examine these for themselves, and we are sure the officers will take pleasure and laudable pride in exhibiting them. We commend your Grand Secretary upon the good judgment exercised by him in his selection of an assistant, whose work indicates that he is not only thoroughly capable in the matter of accounts, but is possessed of admirable discrimination.

We notice, also, that while the Grand Secretary has received much needed assistance, the records show a great deal of his own handwriting, and indicate that his office has not yet become a sinecure. We recommend that the Trustees be authorized to continue during the current year, the salaries paid during the past year, and the expenses the Grand Secretary incurred during the past year, or which he may require to incur during the present year for use of typewriter in preparing statements, reports and correspondence, subject to the approval of the T.:P.:G.:M.:

The accompanying statements for the other Bodies in the Valley, constitute our reports to them, and we suggest the careful scrutiny of all the statements herewith by our members.

Respectfully and fraternally submitted,

JAMES ISAAC BUCHANAN, 33°,

GEORGE JACKSON GORMAN, 32°,

ANDREW JOHNSTON LAWRENCE, 32°,
